October 6, 2018

Present:

Rebecca Nicholson – Chair

Jill Walker – Vice-chair

Anna Seyfer – Secretary

Brian Forest

Jennifer Kivell

Scott Walker

Susan Gigot-Klein

Martha Neigel

BGDC Staff Advisors:

Those present were asked to read the letter printed in the Pulse regarding the current financial crisis at BGDC. Article was discussed and Staff presented the multi-faceted ways the Club was working to build revenue including the need for direct help from the families whose children belong to the Club and more community support.

Round table introductions were made.

Through approved motions the Committee selected members for Chair, Vice-Chair and Secretary.

The committee adopted the attached document outlining the following:

Purpose of the Committee

Committee Objectives

Member time-commitment and requirements

Meeting schedule/locations

Susan Gigot Klein presented the need for food items for the Kids' Kitchen program which she directs and suggested an Econo Foods bagging event . Parents and Club members will team up and bag groceries to raise money for the Kids' Kitchen programming. Anna Seyfer volunteered to work with Susan in organizing this with more parents.

Brian Forest outlined the potential of the BGDC being included in some of the area businesses "Giving Trees" with a wish list of items for the Kids' Kitchen program and basic needs closet. He will investigate what opportunities exist for this.

Scott Walker explained what a "Glow Dance Party" involves. The Committee thought this would make a great Holiday fundraiser. Scott has volunteers who would run the event and parents and Club members would be invited. Glow products could be sold to raise funds. The Committee discussed the possibility of

also getting food donated (Hamburgers, hotdogs) to be sold or a bake sale. Scott will contact Nicole Champeny, Program Director, to talk about the opportunity and timing for this event.

The Committee discussed having more family fun events with food and activities to bring more community engagement into the Club.

The Committee agreed to meet in 2 week and to change the meeting day and time to give more parents an opportunity to attend.

Next meeting date is: Wednesday, October 17, 2018 at 6:30pm
